START OF NEW TERM

Welcome back, Bears!

We hope you've all had a wonderful Summer Holidays and enjoyed plenty of sunshine, adventures and family time. It's been such a joy welcoming everyone back into preschool this week, and meeting our lovely new starters who are joining the Stowey Bears family. This term we're beginning with our topic 'All About Me', where children will explore who they are, their families, their likes and dislikes, and everything that makes them wonderfully unique. The children have already begun sharing their interests and stories, and we can't wait to continue building on this throughout the term. It's been a fantastic first week full of smiles, settling in, reconnecting with friends and starting new routines. We're excited for all the learning, play and memories still to come as we begin this joyful new term together.

REMINDERS AND THANK YOU'S.

Make sure your child has a few extra sets of clothes, as activities can get messy or involve varying outdoor conditions. Be sure to clearly label all of your child's belongings. Please avoid parking by the black gates at the entrance, as they must stay accessible at all times.

OUR COMMITTEE.

- We're looking for new members to join our committee and help us get started. If you're interested, please have a chat with Rachel. We're always eager to welcome people into the Stowey Bears community, and without a committee, we can't keep going. Thanks 😊
